

# STRATEGIC PLAN 2024 - 2026

## CONTINUOUS IMPROVEMENT

To foster a collaborative culture where successes are celebrated and best practice is shared to build continuous improvement

- *Our curriculum will be future focused*
- *All students will achieve at their full potential in NCEA*

## BELONG AND VALUED

Establish and sustain an environment that enables our people to feel safe valued and have a sense of belonging

- *We will ensure that successes are celebrated and role modelled so that a greater sense of school pride is established*
- *We will have strong partnerships with our community*
- *Our connections to our past and the wider world are strengthened*
- *Our staff feel that their work is valued and their wellbeing is a priority*
- *Our students feel safe and have numerous opportunities to feel a part of the college*

## HIGH EXPECTATIONS

Develop a culture where expectations are high and clearly defined and where personal responsibility and accountability are valued

- *Our facilities will be well maintained and meet the aims and aspirations of the students*
- *Our students fully understand and support all of the expectations of the college*
- *Our staff fully understand and support the role they play in ensuring the expectations of the college are met*
- *Howick College is financially secure and able to support and invest in strategic initiatives*
